Harriet Tubman: Ann Petry 2015-09-08 A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an "underground railroad" that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this “well-written and moving life of the 'Moses of her people'” (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

Tubman is one of the giants of American history—a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War. Now, in this magnificent biography, historian Kate Clifford Larson gives us a powerful, intimate, meticulously detailed portrait of Tubman and her times. Drawing from a trove of new documents and sources as well as extensive genealogical data, Larson presents Harriet Tubman as a complete human being—brilliant, shrewd, deeply religious, and passionate in her pursuit of freedom. A true American hero, Tubman was also a woman who loved, suffered, and sacrificed. Praise for Bound for the Promised Land “[Bound for the Promised Land] appropriately reads like fiction, for Tubman’s exploits required such intelligence, physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook. . . . Larson captures Tubman’s determination and seeming imperviousness to pain and suffering, coupled with an extraordinary selflessness and caring for others.”—The Seattle Times “Essential for those interested in Tubman and her causes . . . Larson does an especially thorough job of . . . uncovering relevant documents, some of them long hidden by history and neglect.”—The Plain Dealer “Larson has captured Harriet Tubman’s clandestine nature . . . reading Ms. Larson made me wonder if Tubman is not, in fact, the greatest spy this country has ever produced.”—The New York Sun

Harriet Tubman—Ann Petry 1991
The definitive biography of one of the most courageous women in American history "reveals Harriet Tubman to be even more remarkable than her legend" (Newsday). Celebrated for her exploits as a conductor on the Underground Railroad, Harriet Tubman has entered history as one of nineteenth-century America’s most enduring and important figures. But just who was this remarkable woman? To John Brown, leader of the Harper’s Ferry slave uprising, she was General Tubman. For the many slaves she led north to freedom, she was Moses. To the slaveholders who sought her capture, she was a thief and a trickster. To abolitionists, she was a prophet. Now, in a biography widely praised for its impeccable research and its compelling narrative, Harriet Tubman is revealed for the first time as a singular and complex character, a woman who defied simple categorization. "In the first major biography of Harriet Tubman in more than 100 years, we see the heroine of children's books and biopics with a new clarity and richness of detail." --Lev Grossman, Time

The Extraordinary Life Story of Harriet Tubman-Sarah H. Bradford 2017-02-09 This carefully crafted ebook: “The Extraordinary Life Story of Harriet Tubman” is formatted for your eReader with a functional and detailed table of contents. As her biographer Sarah H. Bradford mentions, Harriet Tubman is at par with biggest names like Jeanne D’Arc, Grace Darling, and Florence Nightingale in terms of her resilience, courage and do-or-die dedication in liberating her people from the bondages of slavery. Tubman who was herself born into slavery in Maryland in 1822 took over the responsibility of helping and guiding other slaves to freedom after her own escape to Philadelphia in 1849. Traveling by night and in extreme secrecy, Tubman “never lost a passenger”. When the Civil War began, Tubman worked for the Union Army, first as a cook and nurse, and then as an armed scout and spy. She was the first woman to lead an armed expedition in the war and to guide the raid at Combahee Ferry, which liberated more than 700 slaves. Excerpt: “The whip was in sight on the mantel-piece, as a reminder of what was to be expected if the work was not done well. Harriet fixed the furniture as she was told to do, and swept with all her strength, raising a tremendous dust. The moment she had finished sweeping, she took her dusting cloth, and wiped everything "so you could see your face in 'em, de shone so," in haste to go and set the table for breakfast, and do her other work. The dust which she had set flying only settled down again on chairs, tables, and the piano. "Miss Susan" came in and looked around…..” (Scenes in the Life of Harriet Tubman) Sarah H. Bradford (1818–1912) was an American writer, historian and one of the first American women writers to specialize in children’s literature, predating better-known writers such as Louisa May Alcott. Bradford was also a very close friend of Tubman and a contemporary of Harriet Beecher Stowe, the author of Uncle Tom's Cabin.

Harriet Tubman-Milton C. Sernett 2007-10-15 Harriet Tubman is one of America’s most beloved historical figures, revered alongside luminaries including Abraham Lincoln and Frederick Douglass. Harriet Tubman: Myth, Memory, and History tells the fascinating story of Tubman’s life as an American icon. The distinguished historian Milton C. Sernett compares the larger-than-life symbolic Tubman with the actual “historical” Tubman. He does so not to diminish Tubman’s achievements but rather to explore the interplay of history and myth in our national consciousness. Analyzing how the Tubman icon has changed over time, Sernett shows that the various constructions of the “Black Moses” reveal as much about their creators as they do about Tubman herself. Three biographies of Harriet Tubman were published within months of each other in 2003-04; they were the first book-length studies of the “Queen of the Underground Railroad” to appear in almost sixty years. Sernett examines the accuracy and reception of these three books as well as two earlier biographies first published in 1869 and 1943. He finds that the three recent studies come closer to capturing the “real” Tubman than did the earlier two. Arguing that the mythical Tubman is most clearly
enshrined in stories told to and written for children, Sernett scrutinizes visual and textual representations of “Aunt Harriet” in children’s literature. He looks at how Tubman has been portrayed in film, painting, music, and theater; in her Maryland birthplace; in Auburn, New York, where she lived out her final years; and in the naming of schools, streets, and other public venues. He also investigates how the legendary Tubman was embraced and represented by different groups during her lifetime and at her death in 1913. Ultimately, Sernett contends that Harriet Tubman may be America’s most malleable and resilient icon.
